

## Limestone Community High School Marching Rockets

## **MARCH-A-THON 2017**

The **March-a-Thon Fundraiser** is an opportunity for each Limestone Marching Rockets student to raise money for his/her annual band fees and personal band equipment.

Students will wear pedometers as they practice their show during the week of Band Camp (July 31-Aug 4). The amount of money you donate will be based on the average number of miles each student marches during the week (15 miles maximum). For example, if you pledge \$2 per mile and they march 15 miles, you would owe \$30.

Flat donations are also welcome.

The student will contact you after Band Camp to let you know how many miles were marched and to collect the money. Make checks payable to "Limestone Band Boosters". The student will then turn the money in to the Band Boosters.

## Thank you for supporting the LCHS Band students!

For more information, go to LimestoneBands.com and click on Band Boosters, then Fundraisers.
