Dear Central Illinois Business Friends:

Businesses are an integral part of the success of the Limestone Community High School Band Program. Teamwork, self-discipline, leadership, communication skills: these are just a few of the characteristics high school music programs bestow in our young adults. Those are the same character traits employers look for in the workforce. As such, the Band Boosters are asking for your investment in the young musicians of our community by participating in an upcoming fundraising event.

Please consider investing in our student musicians by being a part of the 2016 Stompin' at the Savoy Spring fundraiser. This is an evening of fun, a spaghetti dinner, silent auction, and live Jazz music played by the LCHS student Jazz Band. Two local grade school Jazz Bands will also be playing that evening. The event will be held Saturday, March 12th, starting at 6PM in the high school cafeteria. Tickets for the event are \$12 a person.

Your support helps us reach our many goals, the most important being the participation of over 100 LCHS student musicians at competitions across the state. Please mail your support today! You may purchase tickets, make a cash donation, or donate items to be used for the silent auction. If you have any questions, or would like additional information, please contact me at the number or email below.

Thank you in advance for your support!
