Pleased with progress of the performances so far and was completely blown away with the Downers Grove performance.

Area of struggle is with the kids continuously talking through practices. Please speak with your kids about it.

ISU leave from High School dressed at 6:15am. We perform at 9:30. Judging goes as follows 1-4A class winners get automatic bid into finals and then the next top three scores advance into the finals. Judging system has inflation between 1A-4A and that could work against us. Will use the remind app to update and post updates on Facebook as well. Finals begin at 7.

Kids need to rehearse how they are going to perform. Need to make sure we stay on task and constantly trying to improve.

Senior Night parents hand out on the front table. Map shows where to meet and then are invited to stay on the track to watch the performance from the track

WIU 1:30 rehearsal leave at 3. Performance time at 7:15 with awards at 9 and return home around 11pm. Will keep us updated using the remind ap.

BOA Need to come up with a backup plan in case we make semi-finals. Performance time at 8pm. We are not currently scheduled to stay the night. We are in the process of finalizing a backup plan by Friday. Our current thoughts are to look into the possibility of getting the kids hotel rooms. They would need to stay as a group if they make semi-finals. More information to come.

Disney performance is Monday April 10<sup>th</sup> at 2:30. They will start off the character parade.

Meals for ISU. The board will provide breakfast and lunch. Patti has offered to donate 50 pizzas if the band makes finals for dinner.
