4201 South Airport Road  
Bartonville, IL 61607

July, 2022

Dear Business Friends and Fellow Friends of the Arts:

Greetings! We are very excited to share Limestone Bands' newest endeavor! Businesses and friends of the band now have the opportunity to sponsor the Limestone Community High School Bands!

Why should you consider sponsoring? More than ten percent of our student body at Limestone Community High School has found their place somewhere within one of our bands. Much of the funding for our band programs is driven by our Band Booster program and also the responsibility of our student families through fees and fundraising. While this may not seem like a big deal to some, at least 40 percent of our students live below the poverty line in our community. Despite this, the band does not exclude anyone because of their ability to pay.

It is our hope that you will partner with us to support our LCHS Bands! What does that mean for you? We are now offering sponsorships in order to help support our students' participation in band and but help purchase new equipment and maintain the instruments we currently have. Further, we are a 501(c)3 organization so any donations to our bands are tax deductible!

Please consider a monetary donation or sponsorship to our band program! If you have partnered with us in the past, we sincerely appreciate you. If you have not had the opportunity to support our program previously, we are excited to accept you into our Band Family!

Please see sponsorship opportunities on the back of this letter

Thank you for your time. We look forward to working with you!

Sincerely,

Kristin Saeger, Vice President of Limestone Band Boosters
