Dear Business Friends and Fellow Friends of the Arts:

Greetings! We hope this letter finds you well. We are reaching out on behalf of the Limestone Band Boosters. LCHS Bands has helped our students build self-confidence, find their voices, and make a lifetime of memories. Due to this impact, we have a heart for the band. Our job as Band Boosters is to assist the directors, help make decisions, and raise funds to support our students.

We are connecting with you today to see if you would be willing to help support our bands. We have numerous ways to support our bands! Our newest endeavor is sponsorship opportunities! Last year, our inaugural year, we raised almost \$20,000! Our organization is a 501(c)3 so any donations are tax deductible! Our sponsorships start at \$20 so it's the perfect price point for everyone!

If a sponsorship is not for you, we would love to have your support for our biggest fundraiser, Stompin' at the Savoy! We are always looking for donations of any kind for our basket raffle. Any and all donations are very welcome!

Our LCHS Bands cannot function without volunteers. While we rely heavily on parents, students, administrators, and our Booster Board, we can't function without help from our community! We have numerous fundraisers throughout the year to help offset costs for students and help purchase needed items for our bands. However, our hope is that we can continue to gain community support to show our students how valuable they truly are!

We would love the opportunity to have you partner with us! Please consider a donation or sponsorship to our band program! If you have partnered with us in the past, we sincerely appreciate you. If you have not had the opportunity to support our program previously, we are excited to accept you into our Band Family!

Please see sponsorship opportunities on the back of this letter. If you have any questions, whatsoever, please reach out!

Thank you for your time. We look forward to working with you!  
Sincerely,

Kristin Saeger, President of Limestone Band Boosters
